President's Message

Bring a Photo Share Its Story

The **January meeting** is your chance to introduce yourself, but more importantly tell us how you became interested in flying.

Bring a picture that represents either your favorite aircraft, favorite flying event, or at least your favorite picture of yourself. If you are shy and don't like to talk about yourself consider sharing a story about your favorite (or least favorite) Aircraft or flying event.

Some of you have hinted about your entry into our favorite "vocation/avocation" and the stories are always thought provoking and elicit fond memories from our own past. I am eagerly anticipating this event. Please call Terry Jo now with your reservation.
