President's Message

Things to See While at the Convention

A quick search of the Central Missouri Area shows various places of interest near the location of this years MPA state convention.

Number One on my list is the Nicholas Beazley Aviation Museum in Marshall Missouri. Probably only a half hour from Booneville. If you are coming from the KC area you will drive right by the Marshall exit. Marshall was once the site of the worlds largest flight school and an aircraft factory which employed and produced some of the most colorful and widely known pilots

and design engineers of our country, the museum now houses some rare treasures in the world of aviation history. A real surprise to most aviators, I highly recommend this stop for

those who have never visited previously. **NOTE: We are having our chapter meeting this month at the MPA convention in Historic Booneville Missouri!!!**
SEE YOU THERE!! (or maybe in Marshall)
