President's Message

State Convention at Booneville is now a fond memory. Everything our Volunteers did in preparation for the convention worked flawlessly (and even if there were glitches we never knew).

The speakers were great,

display tables were fun to visit

and the hotel staff very accommodat- ing. The door prizes and distribution thereof were great and even fun to discover what might be in your bag.

All in all if you didn't go, you missed a great time with your friends, and you missed an opportunity to make new friends. The pancake breakfast at depart- ure time was even an event not to be missed.

We even influenced some of the scouts and scout leaders to take up flying while at the pancake breakfast.

After Saturday nights entertainment (which was fantastic and enjoyed by all) our entertainer admitted that after last years convention he was so enthralled by our speakers and the MPA as an organization, that he took up flying as well. We all had such a good time on Saturday night that he stayed late and even gave a demonstration of his equipment.

Honestly the most fun week- end I have had in a long time! Thanks to everyone who helped put it all together!!!!!!
