## President's Message "Share Your Airventure"

Seems like a long time since our last meeting. There's been a lot of water under the Martin Mars since then.

Wednesday we will all share our story's from Oshkosh. Those of us who attended may have seen some of the same things, but we each saw it through our own eyes and life experiences Some of us worked, some vol-

unteered and a few of us just attended. No matter how many times you attend, each year brings new sights, sounds and adventures.

Bring pictures, treasures, swag, etc, BUT most of all BRING YOUR MEMORIES.

The hangar flying should be beyond compare. See you then! fjs
